

Cambium Networks Connected**Partner** Distributor Program

A Partner Program That Just Works!

The Cambium Networks **ConnectedPartner** program enables our channel partners to better respond to today's evolving marketplace with services and benefits designed to optimize profitability and growth.

Together, we'll provide customers with innovative wireless broadband and enterprise Wi-Fi solutions that deliver simplicity, scale, and significantly lower TCO.

Distributors play a central role in the Cambium Networks channel by promoting, supporting, and distributing our solutions and services in target vertical markets.
