## Additional tools and resources in your MSP kit:

- [Cambium Care Pro](#) - Accelerated access to L2 engineers and 24/7 support
- [Wi-Fi Designer](#) - Plan and deploy a Cambium Wi-Fi network
- [MSP Training](#) - Virtual MSP certification courses
- [TCO Profiler](#) - Create a benefits analysis

Click [here](#) to learn more about the Cambium Networks ConnectedPartner Not for Resale (NFR) Program, or customize your own NFR kit.

Partners will receive access to cnMaestro X and Cambium Care Pro support on their NFR Access Point for three years.

Terms & conditions: NFR equipment is not for resale and cannot be combined with other offers. Partners may purchase a maximum quantity of NFR units per year. See [NFR Program](#) for rules. Cambium reserves the right to cancel this program at any time, and prices are subject to change without notice. v1\_2021
