

Certified Enterprise Sales Associate

Program Overview

The Cambium Networks Enterprise Sales Learning Program is designed for Enterprise Sales Professionals so that they will be proficient when presenting Cambium to their partners and customers.

What You Will Learn

The Cambium Certified Enterprise Sales Associate training program delves into the history of Cambium Networks and its Cambium ONE Network program. Additionally, you'll gain insights into the cnMaestro™ X Management System, Enterprise Access Points, cnMatrix™ Switches, and NSE. Finally, you will be equipped with the necessary skills to effectively utilize the sales tools available to you.

Certification*

Upon completing each course, you can pursue certification, which serves as a tangible demonstration of your acquired competency and knowledge.

Badging

After successfully completing all courses and certification exams, you'll receive a Cambium Certified Enterprise Sales Associate program badge.

*Self-paced course certification exams may be subject to a fee. Certifications must stay current with updated courses and training.

Expertise & Proficiency

Validate your expertise and proficiency in selling Cambium's networking solutions, enhancing your credibility within the industry.

Cambium Certification

Recognized globally, showcasing your commitment to selling Cambium Enterprise products.

Demonstrate your skills and have a clear pathway to continuous learning, professional growth, and increased career prospects in the field of networking.

Required Courses

Course Name	Cost (USD)
Enterprise Sales Associate – 2 Hour Online Self-Paced	\$0.00

Preparing for the Exam

Cambium Networks highly recommends that candidates seeking certification take all courses outlined in the learning path. Successful completion of the courses, along with reviewing user guide and lab materials, will increase your chances for passing the exam.

About Cambium Networks

Cambium Networks enables service providers, enterprises, industrial organizations, and governments to deliver exceptional digital experiences and device connectivity with compelling economics. Our ONE Network platform simplifies management of Cambium Networks' wired and wireless broadband and network edge technologies. Our customers can focus more resources on managing their business rather than the network. We make connectivity that just works.
