

# Cambium Learning

Building access to knowledge that allows people around the world the opportunity to learn how to install, configure, maintain, and optimize their Cambium Networks Solution.

ACCESS TO KNOWLEDGE WHERE AND WHEN YOU WANT IT THROUGH LIVE WEBINARS AND ONLINE LEARNING.

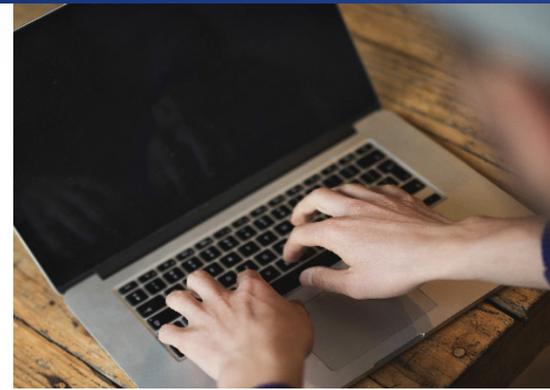

## ONLINE COURSES

This learning path will guide you through the courses recommended to complete in preparation to take the XMS Advanced Technical Certification exam. It is highly recommended that you install and configure the XMS-Cloud prior to taking the exam for practical practice.

- XMS Advanced Technical Certification Module 1 - AP Operating System Deep Dive
- XMS Advanced Technical Certification Module 2 - XMS Enterprise Management System Deep Dive
- XMS Advanced Technical Certification Module 3 - Advanced AP & XMS Troubleshooting
- XMS Advanced Technical Certification Module 4 - Advanced Client Troubleshooting
- XMS Advanced Technical Certification Exam

## VIRTUAL WEBINARS

Discover ideas, tips and techniques, and insights that will help you improve your skills, develop new expertise, and stay on the cutting edge of knowledge to maximize your Cambium Networks Xirrus Enterprise WiFi solution investment by participating in our live webinars.

## CERTIFICATION

Validate your knowledge and become Enterprise XMS Professional Certified.

We offer XMS Advanced Technical certification exam providing an opportunity through an online testing experience for you to validate your knowledge and become Enterprise XMS Professional Certification.

Certifications must stay current with updated courses and training.
